PROFILE

Moments of happiness are overrated; that's the reason I believe in challenging moments. There are many times in life to challenge yourself. For example, I enjoy solving tech problems, specifically programming and infrastructure issues. I like so much to learn everything related to technology such as development, operations, and automation.

EDUCATION

B.S. COMPUTER SCIENCE
Universidad Mayor de San Andres
2008 - 2016

JAVA Intermediate
Science and Technology Center
2014

HONORS & AWARDS

2nd place Falling Walls Lab Bolivia 2021

2nd place Tigo Changemakers 2015

2nd place InnovaLab Hackathon 2015

1st place UMSA Software Contest 2012
